MEMORANDUM FOR: Mr. Reber

9 November 1956

Would you please make certain that the two new airfields reported in the attached are included in our Middle East targets. Would you also (in order to save me the trouble) pass along to Operations my request that these be covered if possible in the next Egyptian mission we run and that I get a report confirming or contradicting the attached.

*g/m*  
RICHARD M. BISSELL, JR.  
Project Director
